KING HOMES
NEW SOUTH WALES

Explore our *Oxford series*

Hello.

Thank you for taking the time to review our popular Oxford home design series.

Each of these homes have been designed by our own in-house drafting team with quality and affordability in mind.

Our Oxford 30 which is on display at HomeWorld Leppington showcases our standard inclusions with only a handful of upgrades throughout the home.

In addition to our Oxford series, we also have an extensive collection of single and double storey homes available for your viewing on our website.

Our home designs offer a balance between aesthetic flair and functionality whilst still keeping budget front of mind.

We'd love to discuss your build ideas, so please chat to our friendly team.

Experience the King Homes *difference*

At King Homes NSW, we believe in using only the best building materials and products available in the market. We work with reputable suppliers and brands to ensure that your home is of a superior quality.

For example, we only use quality bricks from both PGH and Austral which are known for their durability and strength, and Talostone benchtops which are a popular choice for durability.

We also take great care in the construction process, regularly communicating with you to ensure you are informed and feel confident throughout the build.

Our team of experienced professionals and tradespeople are dedicated to delivering your dream home to your satisfaction.

You can choose one of our standard floorplans crafted by our experienced Drafting team. Or we can work together to design a completely one-of-a-kind custom home.

We provide a 25-year structural guarantee for your peace of mind. This guarantee assures you that your home is built to last and withstand the test of time.

STUDIO KING
SELECTIONS CENTRE

Quality you can trust.

You'll feel right at home at our new Studio King Selections Studio.

This is where our valued clients complete their internal selections appointment whilst being guided by one of our resident interior designers, who will assist you to bring your design vision to life for your brand new home.

Studio King is comprehensive style centre where you will choose everything for your new home from wall paint colour, kitchen benchtops, door handles and everything else in between.

We showcase our quality standard products and finishes part of our inclusions as well as a wide range of premium upgrade finishes for your consideration.

From Talostone benchtops to Smeg appliances, we only use quality brands and suppliers you know and trust, to ensure your home is built to last.

We partner with Australia's leading suppliers to bring a wide variety of options into Studio King available for your selection. We are also continually updating Studio King to ensure we offer the latest products and finishes.

Along with the convenience of designing the interior of your home all under one roof at Studio King to feel confident moving ahead to the construction stage of your home.

Our Studio King Selections Centre is open by appointment only. Chat to our team about booking in a browse session.
