

Explore our *Oxford series*

Hello.

Thank you for taking the time to review our popular Oxford home design series.

Each of these homes have been designed by our own in-house drafting team with quality and affordability in mind.

Our Oxford 30 which is on display at HomeWorld Leppington showcases our standard inclusions with only a handful of upgrades throughout the home.

In addition to our Oxford series, we also have an extensive collection of single and double storey homes available for your viewing on our website.

Our home designs offer a balance between aesthetic flair and functionality whilst still keeping budget front of mind.

We'd love to discuss your build ideas, so please chat to our friendly team.

Experience the King Homes *difference*

At King Homes, we take extra measures to ensure our homes are built to the highest standard.

We reduce the risk of movement in the slab of your home by always conducting a soil test prior to any engineering to ensure we have full understanding of your land and pour a correctly engineered slab.

We also always ensure the alfresco and porch floors form part of the main foundation and roofline.

Our generous standard inclusions ensure our homes are move-in ready complete with 2.7m ceiling height, 20mm stone benchtops, Smeg appliances and a driveway.

All of our homes are completed with a **3 coat paint system** which consists of 2 coats initially with a final coat at the end.

All of the above is included as part of our base price and we encourage you to compare this with many of our competitors.

Hampton facade

Oxford 29

4 3 2

House Length	16.89m	Fits on 12m block width and can be modified.
House Width	10.66m	
Total Area	273.04m²	

Quality you can trust.
